CHAPTER 20

DENTAL

Figure 33 - Dental

The screenshot shows a software window titled "CYBERNETIC BIOFEEDBACK" with a subtitle "Dental, Sinus, Nerval Foci owned by OX ltd of Budapest". The interface includes a menu bar with "Information", "Test", "Reference", "TMD", "Body and Face Scan", "Therapies (set time in min)", and "Memos".

A central list displays various items with their IDs and descriptions:

No	ID	Description
4		You must Start Info Exchange First

19	168	ALOE VERA LIPO QUINONESLimsLymph+Circul,EstablishesHomeostatsis good food

Below the list is a control panel with buttons for "Zap", "UnZap", "Test", and "Transfer to Test Screen". A "HOLD:" indicator is shown with a yellow bar at 0%. A text input field labeled "Type in Sarcodes:" is present.

On the right side, three diagrams illustrate "Progressive Gum Disease" in cross-section, showing the progression of gum recession and root exposure.

At the bottom, there are two search fields: "Search for" and "Search for Item in Clifford Test".

Balancing Dental Nosodes

From the Test Screen:

C Programs (top menu bar)

C Dental (drop down list)

C Information (top menu bar)

C Start Info Exchange
